About Me

My name is Jaeden Barlett and I am a San Luis Obispo-based portrait photographer! Over the course of my career, I have learned that photography brings nothing but joy. So, of course, I would want to make that my lifestyle! My goal is to always be putting smiles on faces, and I'd love to do the same for you! When I am not out shooting I am either babysitting, doing anything artistic, hanging out with my friends, playing soccer, or golfing. To counteract all those hours I spend editing, getting outdoors is my favorite pastime. Contact me for more details, with any questions, or even if you just want to get to know me! I love getting to know all of my clients personally, so please don't be hesitant to reach out! Find out how to reach me below.
